

Divisional Level Incident Reporting Format (Tsunami)

A. General

Event	Date of event			Time of event			Duration
	Year	Month	Day	Hours	Min.	am / pm	Days / hours
Tsunami							

Province		District	
Division		No. GN divisions affected	No. of Villages affected

B. Impacts on Human Lives

No. of people Dead		No. of people Injured		No. of people Missing	
Male	Female	Male	Female	Male	Female
No of Affected		In Temporary shelters / IDP camps		No of temporary shelters / IDP camps	No of families Relocated
Persons	Families	Persons	Families		

C. Damage to Housing and other Buildings

No. of houses damaged		No. of shops / business premises damaged		No. of government premises damaged	
Partially	Fully	Partially	Fully	Partially	Fully

D. Transportation

Names of roads damaged	Road section (Indicate km post or locations)	Length in km	Loss Rs.	Comments (tarred or gravel)
<i>National Roads damaged</i>				
<i>Provincial Roads damaged</i>				
<i>MC / UC / PS Roads damaged</i>				
Names of railway line	Section (Indicate km post or locations)	Length in km	Loss Rs.	Comments (tarred or gravel)

No. of bridges damaged			No. of Culverts damaged		
Partially	Fully	Loss Rs.	Partially	Fully	Loss Rs.
No. of Railway Bridges damaged			No. of Railway Culverts damaged		
Partially	Fully	Loss Rs.	Partially	Fully	Loss Rs.

E. Agriculture

Paddy farms affected

No. of families		Land (1 ha= 2.471 acr)		Loss Rs.	
-----------------	--	------------------------	--	----------	--

Other farms affected

No. of families		Land – ha (1 ha= 2.471 acr)		Loss Rs.	
-----------------	--	--------------------------------	--	----------	--

Livestock affected (No. of livestock)

Poultry	Cattle /Buffaloes	Figury	Goat	Others	No. of families affected	Loss Rs.

F. River Flood Protection Systems

Embankments / flood bunds / dykes affected

No. partially damaged		No. fully damaged		Loss Rs.	
--------------------------	--	----------------------	--	----------	--

G. Irrigation

Minor Irrigation facilities (tanks) affected

No. of partially damaged		No. of fully damaged		Loss Rs.	
-----------------------------	--	-------------------------	--	----------	--

Medium and Major Irrigation facilities (tanks) affected

No. of partially damaged		No. of fully damaged		Loss Rs.	
-----------------------------	--	-------------------------	--	----------	--

Irrigation Canals affected

No. of canals affected		Total length of canals damaged		Loss Rs.	
---------------------------	--	--------------------------------------	--	----------	--

Anicuts affected

No. of partially damaged		No. of fully damaged		Loss Rs.	
-----------------------------	--	-------------------------	--	----------	--

H. Water Supply

Drinking Water Sources Affected – Indicate number affected and loss in Rs.

River / streams / canals		Impounded reservoirs / Irrigation tanks		Wells / Tube wells	
Irrigation canals		Other sources		Loss Rs.	

Water Supply Schemes – Other Components damaged – Indicate number damaged and loss in Rs.

Transmission pipe lines - Length (km / m - specify)					Distribution pipe network Length (km / m - specify)					
Partially		Fully		Loss Rs.		Partially		Fully		Loss Rs.

Pump houses					Ground water tanks					
Partially		Fully		Loss Rs.		Partially		Fully		Loss Rs.

Elevated water tanks					Treatment plants						
Partially		Fully		Loss Rs.		Partially		Fully		Loss Rs.	

Water Supply – People affected				No of connections damaged	
No. of families affected		Quantity of water supplied from other sources (gallons)			

I. Power and Energy

No of power stations damaged					No. of transformer stations damaged						
Partially		Fully		Loss Rs.		Partially		Fully		Loss Rs.	

Damage to H/T power lines - Length (km / m - specify)					Damage to Distribution lines- Length (km / m - specify)						
Partially		Fully		Loss Rs.		Partially		Fully		Loss Rs.	

No. of Pylons Damaged					No. of connections damaged	
Partially		Fully		Loss Rs.		

J. Communication

No. of elements partially damaged									
Switching		Transmission		Out side plant		Power		Loss Rs.	
No. of elements fully damaged									
Switching		Transmission		Out side plant		Power		Loss Rs.	

No. of Towers damaged					No. of connections damaged	
Partially		Fully		Loss Rs.		

K. Education

Details of Educational Establishments damaged			
Names of establishment (Pre, Primary & Secondary Schools/ Teacher ; Vocational Training / Technical colleges / Universities)	Fully damaged	Partially damaged	Loss Rs.
1.			
2.			
3.			
4.			
5.			
6.			
7.			

L. Health

Details of Health Establishments damaged			
Names of establishment (hospitals; govt. & private/ healthcare centres/ clinics/ dispensaries/ nursing training schools/ offices, etc)	Fully damaged	Partially damaged	Loss Rs.
1.			
2.			
3.			
4.			
5.			
6.			
7.			

M. Industries: Tourist hotels

No. of tourist hotels damaged			
	Fully damaged	Partially damaged	Loss Rs.
Hotels			
Restaurants			
Guest houses			

N. Industries: Fisheries

No. of fishing vessels damaged						
	Multiday boats	3 ½ Ton boats	17-23 FRP boats	Traditional craft	Out board motors	
Fully damaged						
Partially damaged						
Loss Rs.						

Total no. of vessels damaged					Unit of fishing gear damaged				
Partially		Fully		Loss Rs	Partially		Fully		

No. of families affected	Other		
	No. of harbors affected		Loss Rs

O. Forestry and Wildlife

Wildlife Sanctuaries affected				Forests affected			
No.		Land – ha (1 ha= 2.471 acr)		No.		Land – ha (1 ha= 2.471 acr)
